2021 Annual Report

MESSAGE FROM LIFESPAN RESOURCES' CEO & BOARD PRESIDENT

2021: The Year of Remaining Flexible

Lora Clark

Lora Clark
Chief Executive Officer

Annette J Roberts

Annette Roberts
President, Board of Directors

As 2021 progressed, our team remained flexible as the continuing pandemic demanded. We acted nimbly throughout the year to serve our clients and meet our goals.

Early on, we were cautiously optimistic that we might return to normal, but as we all witnessed, the pandemic was not through with us. We moved slowly into a new normal of cautiously reopening and hosting some events in-person, with masks and social distancing. We were thrilled to welcome back our Senior Games participants to an in-person, albeit all-outdoor, event in June. In July, we reopened our congregate sites to ecstatic participants, so happy to be together after more than a year apart. Best of all, we hosted our 4th Annual Voice and Vino in-person to a somewhat smaller crowd at Caesars Southern Indiana in October. It was our most successful fundraiser in history, bringing in \$125,000!

In this year of remaining flexible, we met every goal of both our State Area Plan and our own Strategic Plan, with a slew of impressive accomplishments along the way. Please read through our Highlights listed in this annual report.

We continued to serve an increasing demand for client services, especially for home-delivered meals, case management, care transitions and legal services. Our team performed in a stellar manner, never missing a beat, whether working remotely, on the phone with clients, or in masked, socially distanced settings. No matter which way the client preferred, we were there for them and more than capable of providing for their needs.

We are so proud of our dedicated team of caring individuals who serve well over 3,500 clients in our Southern Indiana area each year. These folks are your allies in the community – they ensure that all Southern Indiana Hoosiers receive the services they need to remain living independently in our towns, cities and rural areas. In spite of the pandemic's demand that they remain nimble and flexible, they are committed to doing whatever it takes to serve our communities.

2021 HIGHLIGHTS FOR LIFESPAN RESOURCES

Voice and Vino at the Casino: Season Four!

"Season 4" of our premier gala fundraiser was held in-person this year on Tuesday, October 26 at Caesars Southern Indiana with 500+ attendees, entertained by eight fantastic singers and four local celebrity judges. The event was our most successful ever, raising over \$125,000! Congratulations to this year's winner: Greg Nash!

Senior Games

Seniors were "Moving Forward" with the theme of our 35th Annual Senior Games. The event was held in-person the week of June 7-11 with all outdoor venues. Emcees for the Opening and Closing Ceremonies included Wayne Perkey, Van Vance, and our favorite elected official, State Representative Ed Clere - who is always quick with the jokes! We loved being together with our friends once again for some fun, friendly (but fierce) competition!

Developed new 2022-23 Area Plan that will positively impact access to long-term services and supports, create new health care partnerships, strengthen support to caregivers and facilitate multi-disciplinary coordination of legal and Adult Protective Services with case management. The Plan will also enhance health and wellness and address social isolation.

Successfully completed all 2020-21 Area Plan and 2019-21 Strategic Plan goals.

Participated in robust legislative advocacy blitz with ultimate results of no cuts in State CHOICE funding.

Asked by the Division of Aging to pilot the Hoosier Homebound (HHB) portal. Case Managers entered homebound individuals into the portal for subsequent visits by EMS to administer the COVID-19 vaccine.

Recognized as second in the entire state for initial COVID-19 registration assistance.

One of four agencies initially working with Dual Eligible Special Needs Medicare Advantage Plans, which has directly resulted in receiving hospital and discharge status information from health care plans, which promotes better care coordination.

Added new private health plan contract through enlivIN LLC with Managed Health Services (MHS) to provide care transition services to local residents.

The second Employee Satisfaction Survey was completed with a 99% participation rate. Agency ratings were up 5% over the last survey.

Continuing American Red Cross Blood Drives every other month at the Floyd County YMCA. Over the past 15 years, we have held 76 drives resulting in the collection of 1423 pints of blood with an average of 19 pints of blood per drive, **making our blood drive one of the most successful in the entire Louisville/Southern Indiana area.**

Concluded the rollout of our new 401K plan. Every employee, whether full-time or part-time, now receives 3% of their pay into the plan and has the option to contribute up to an additional 4%, which will be matched at 100% by the agency.

Ended a very complex fiscal year with a clean fiscal audit and no findings. LifeSpan Resources has over a decade of clean audits both independently and through Indiana Family and Social Services Administration.

Enhanced the recruitment process of the Board of Directors and the Advisory Council for LifeSpan Resources. The Board of Directors added Reverend Tony Toran to its membership. The Advisory Council added four new members this year: Kristin Troyer Ems, Maureen Robinson, Diane Clark and Rev. Dr. Albert Cole.

Improved access to LifeSpan Resources information/data for employees and Board of Directors through the agency's website. A password protected employee portal was added to the agency website. Documents uploaded include on-boarding, payroll and HR documents. An employee Wellness Program that will be housed on the portal is in development.

Conducted a formal feasibility study for the proposed Senior Center. Have taken multiple community leadership groups on tours of state-of-the-art senior centers in other cities. Produced multiple operating budget scenarios, a PowerPoint presentation, and are working with a nationally renowned senior center consulting group to develop a building plan.

Kicked off the new LifeSpan Resources Legacy Circle donor recognition program with an end-of-the-year holiday campaign mailer. Donor events and programs are planned for 2022.

Completed building enhancements at our 5th Street Nutrition and Transportation hub: deck and ramp were power washed and re-stained, new exterior paint, and new plant and hardscape landscaping added around the building - all to enhance the appeal and accessibility of the facility.

Transportation program enhancements: hired four new drivers, purchased five new vehicles, sold six older vehicles, and rebranded the program to the spiffy new "Rides to Go!" moniker. Most importantly, we continued to safely transport clients under constantly changing COVID-19 protocols.

Our meal delivery service was up over 100% as the pandemic continued. Nutrition home-delivered meals (Meals to Go!) program served 961 clients 200,784 frozen home-delivered meals.

Meal sites reopened July 12, 2021, and celebrations were held at all sites. Plexiglass guards were purchased for the service windows. All sites were provided with masks, gloves, sanitizer, and wipes.

Brought in \$318,733 in Grant Allocations.

Produced New Client Testimonial video featuring Senior Games and Gang programs.

Added front lobby display with historical and current leadership, plus one new panel for DEI; also added hallway photo display for board and advisory council leadership and two "special LSR friends."

Made Louisville Business First Book of Lists 2021 Top 25 Non-Profit Organizations (#25).

Sing For Your LifeSpan Resources

Sing For Your LifeSpan Resources was added in February 2021 as a youth fundraising concert. The event was a virtual, live-streamed contest held at Maxwell's House of Music in Jeffersonville, Indiana on February 28, 2021. It showcased some of our area's top youth singing talent ages 8-20 years old. These youth philanthropists went out into the community to obtain sponsorships and donations, and the event received much media attention from local television programs such as WAVE 3 Listens with Dawn Gee and Great Day Live with Angie Fenton. Our top sponsor was Mr. P Express, Inc.; our phenomenal winner was Ella Unruh; and the event raised over \$57,000.

LifeSpan Resources is now offering this service to commercial members of this Indiana health plan company as well.

LifeSpan Resources' 35th Annual Senior Games

June 7—11, 2021

This year's theme "Moving Forward" was a reference to moving past 2020, COVID-19, social distancing and all the trials and tribulations that came with the year. In 2021, we celebrated looking forward to no masks, being together in person, and getting back to normal. Although this year's Senior Games weren't totally normal, they were held all outdoors and minus a few games that are normally played.

2021 Was "Moving Forward!"

ABOUT LIFESPAN RESOURCES

OUR MISSION

Promoting Independent Living For People of All Ages

OUR VISION

“LifeSpan Resources will be the key organization in Southern Indiana supporting independence and quality of life for all persons through advocacy, education and client centered services.”

Clients include the elderly and persons with disabilities of any age. Some of our services include home delivered meals (Meals to Go!), Transportation (Rides To Go!), and numerous in-home services. (Please visit our web site for more information on any of these services.)

Our service area includes Clark, Floyd, Harrison and Scott counties. LifeSpan Resources is one of 15 state designated Area Agencies on Aging in the state of Indiana. We are funded by state, federal and local sources, in addition to private and community foundation grants, United Way, client and private citizen donations and fundraising events. In addition, we rely on volunteers to help in many of our programs.

To access information about services and supports, or to volunteer, please contact LifeSpan Resources at 812-948-8330 (toll free: 888-948-8330), or email us at: info@lsr14.org.
